Tuck Everlasting - Literature Kit Gr. 5-6 Teacher Created Materials

Perico, or parrot, was what Dad called me sometimes. It was from a Mexican saying about a parrot that complains how hot it is in the shade, while all along he's sitting inside an oven and doesn't know it.... For Manuel Hernandez, the year leading up to his test of courage, his initiation into a gang, is a time filled with the pain and tension, awkwardness and excitement of growing up in a crazy world. His dad spends most of his time and money at the local pool hall; his brother flips through jobs like a thumb through a deck of cards; and his mom never stops cleaning the house, as though one day the rooms will be so spotless they'll disappear into a sparkle, and she'll be free. Manny's dad is always saying that people are like money--there are million- and thousand- and hundred-dollar people out there, and to him, Manny is just a penny. But Manny wants to be more than a penny, smarter than the parrot in the oven. He wants to find out what it means to be a vato firme, a guy to respect. In this beautifully written novel, Victor Martinez gives readers a vivid portrait of one Mexican-American boy's life. Manny's story is like a full-color home movie--sometimes funny, sometimes sad, but always intensely original. A gifted artist and writer, Natalie Babbitt's novels are inspired by a brilliance and imagination that is completely original. She began her career in 1966 with the publication of a picture book, *The Forty-Ninth Magician*, a collaboration with her husband, Samuel Fisher Babbitt. Her first novel, *The Search for Delicious*, established her gift for writing magical tales with a more profound meaning embedded within them. *Kneeknock Rise* earned her a Newbery Honor Medal, but it is *Tuck Everlasting* which has insured Babbitt's place in the history of children's literature. Babbitt has written six more novels including *The Eyes of the Amaryllis* and *Goody Hall*—each one presenting her unique vision of an enchanted world. Her latest novel, *Jack Plank Tells Tales*, was published in Spring 2007. Natalie Babbitt lives in Providence, Rhode Island, and is a grandmother of three. When asked what she wants readers to remember about her books, she replied, "the questions without answers."
