A simple story about complex imaginations, now in board book! All Lucy wants to do is play with her brand-new, bright red wagon. But her mother has other plans for her—and the wagon. Lucy must go to the market and buy vegetables for dinner. Lucy doesn't want to do chores! But she sets off for the market nonetheless, hauling her red wagon with her. Before long, her ordinary trip becomes a high-seas adventure, a ride through outer space, and a day at the circus. As long as she has her red wagon, not even chores can get in the way of Lucy's fun. Renata Liwska's vibrant art takes center stage in this imaginative book for the youngest of readers, just the way it did in her award-winning, New York Times bestselling titles *The Quiet Book* and *The Loud Book!*, both written by Deborah Underwood.

A visual history of one of childhood's most beloved icons—the Little Red Wagon—told through a rich collection of photos and stories that highlight its unique place in American culture. For generations, the Radio Flyer—the fire engine red wagon with the distinctive white logo emblazoned on its side—has fueled the imaginative adventures of children, transforming them into astronauts on a rocket ship to the moon, racecar drivers in the Indy 500, and pioneers traveling into the badlands of the Wild West. The Radio Flyer is the story of childhood—a story of wondrous journeys often accompanied by someone important: a parent, a sibling, a friend, a pet. Since 1917, the family-owned business Radio Flyer Inc. has created this cherished wagon, building a legacy of high quality, timeless, and innovative toys that spark children's imaginations and inspire active play outdoors. With more than 100 million wagons sold—many of them passed down from generation to generation—Radio Flyers have carried, hauled, and fueled more hours of magical escapades than any other children's ride-on toy in America. This beautifully designed and illustrated keepsake book pays homage to this cultural touchstone as it celebrates its first centenary and embarks on its second. Packed with 250 exclusive full-color and black-and-white illustrations, stories, and original drawings from the Radio Flyer Inc. archives, Radio Flyer chronicles the history of this popular brand for the first time. Radio Flyer's story is America's story—a story of an enterprising Italian immigrant's dream realized, and a testament to the value and strength of family ties. Including a host of tender reminiscences from fans across the country, this touching tribute is a special piece of childhood, and the perfect gift for everyone who's ever loved a Little Red Wagon.

“Crawford captures the energy, humor, and wide-eyed hope of

America's first 'angel investor' with wit and verve . . . a book that is worthy of Twain himself” (Dan Lyons, New York Times—bestselling author). A *Wealthmanagement.com* Best Business Book of 2017 Mark Twain's lifetime spans America's era of greatest economic growth. And Twain was an active, even giddy, participant in all the great booms and busts of his time, launching himself into one harebrained get-rich scheme after another. But far from striking it rich, the man who coined the term “Gilded Age” failed with comical regularity to join the ranks of plutocrats who made this period in America notorious for its wealth and excess. Instead, Twain's mining firm failed, despite striking real silver. He ended up somehow owing money over his 70,000 acres of inherited land. And his plan to market the mysteriously energizing coca leaves from the Amazon fizzled when no ships would sail to South America. Undaunted, Twain poured his money into the latest newfangled inventions of his time, all of which failed miserably. In Crawford's hilarious telling, the familiar image of Twain takes on a new and surprising dimension. Twain's story of financial optimism and perseverance is a kind of cracked-mirror history of American business itself—in its grandest cockeyed manifestations, its most comical lows, and its determined refusal to ever give up. “Light and frothy, this humorous biography is a lively read.” —Kirkus Reviews

“ A lighthearted, entertaining trip down Memory Lane ” (Kirkus Reviews), Don ’ t Make Me Pull Over! offers a nostalgic look at the golden age of family road trips—before portable DVD players, smartphones, and Google Maps. The birth of America ’ s first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming—sans seatbelts!—to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn ’ t so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them—from being crowded into the backseat with noogie-happy older brothers, to picking out a souvenir only to find that a better one might have been had at the next attraction, to dealing with a dad who didn ’ t believe in bathroom breaks. Now, decades later, Ratay offers “ an amiable guide...fun and informative ” (New York Newsday) that “ goes down like a cold lemonade on a hot summer ’ s day ” (The Wall Street Journal). In hundreds of amusing ways, he reminds us of what once made the Great American Family Road Trip so great, including twenty-foot “ land yachts, ” oasis-like Holiday Inn “ Holidomes, ” “ Smokey ” -spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson ’ s ice cream, and the thrill of finding a “ good buddy ” on the CB radio. An “ informative, often hilarious family narrative [that] perfectly captures the love-hate relationship many have with road trips ” (Publishers Weekly), Don ’ t Make Me Pull Over! reveals how the family road trip came to be, how its evolution mirrored the country ’ s, and why those magical journeys that once brought families together—for better and worse—have largely disappeared.

Bicentennial Wagon Train Pilgrimage New Harbinger Publications

The story of a Civil War soldier finding his humanity in the face of horrible savagery. Emerging from the Civil War a shamed and broken man, Stephen Latch turns to a life of thievery and murder. Still hoping to uphold the values of the Confederacy, Latch sets his sights on the wealth of resources pouring westward from the northern United States, putting together a band of ruthless misfits to help him stake his claim of the riches of the caravans. Latch ’ s plan calls for an unusual alliance, one made with Chief Satana and his band of Kiowas. The Kiowas are in desperate need of “firewater ” —the rum and whiskey that Latch keeps secreted away—and Latch plans to use it to inspire them to levels of barbarism not seen anywhere else. Once the caravan drivers and passengers are dispatched with, Latch and his men will spirit away the now ownerless wagons, never to be seen again. The Lost Wagon Train follows Latch on his greatest attack against a train of 160 wagons, and shows how the once-haunted man turns a corner and finds a new life away from the ways of the brigand. The wagon trains to California greatly decreased in 1851 as reports of deadly cholera on the trail the year before and strikeouts in gold prospecting became known. Those who did go west—about 2,160 men and 1,440 women—tended toward Oregon's rich Willamette Valley because of a new federal land law that awarded a husband and wife a full section. Volume 3 of *Covered Wagon Women* contains the diaries and letters of six Oregon-bound women, as well as the journal of an English Mormon woman who described her experience all the way from Liverpool to Salt Lake City. The words of these pioneer women convey their exhilaration, courage, exhaustion, and terror in traveling so far into the unknown.

FREE on Kindle Unlimited He was a greenhorn but didn't know it. When Bruce Cowan takes his family and flees Boston to homestead out west, he figured the journey to California to be long but safe. Their first day out reveals how wrong he is and the perilous dangers of the Santa Fe Trail. It would have been a massacre but for Trent and Pat MacLeod. Trent favors a Sharps .50 caliber buffalo rifle, while his younger brother Pat packs two Texas Navy Colts. They both prove deadly and a force to be reckoned with. The Cowans and the McLeod brothers' forge a bond those first few days, sustained in part by Trent's attraction to the eighteen-year-old Becky Cowan. His overtures are not returned. The brothers join the Cowans on their hazardous journey west as they face harsh conditions, bandits and Indian attacks. Will their oxen survive the trip? Will the man Bruce Cowan is fleeing catch up with them? Should they take the Cimarron Cutoff through the desert or stick with the Santa Fe Trail through the mountains? Even with the help of Trent and Pat, the Cowans are forced to learn quickly to survive the rigorous demands of the Wild West.
