When face-to-face with a real Chinese speaker, do you freeze? Do you yourself -Stop getting passed over for jobs or promotions for less-know how to ask for directions in Chinese or communicate if there's an emergency? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's anything more challenging than learning the grammar rules of a new language, it's knowing what to say and having the courage to speak with confidence. We know how you feel - You always try to avoid making embarrassing mistakes or not getting your message through correctly, but it will happen anyway. 'How do I get out of this situation?', You may ask yourself, but have yet to find a straight-forward answer. Until now. We have compiled 50 Chinese Stories along with their translations, providing new Chinese speakers with the necessary tools to begin effectively studying how to set a meeting, how to check into a hotel and even what to say during an emergency! Our Chinese dialogues get straight to the point saving you precious time. There's no benefit learning words and phrases you will never actually use! If you want to learn Chinese quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational Chinese Dialogues works: • Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life. • A Chinese version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! • Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. • That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational Chinese book once you have started reading and studying this one! Focus on getting from zero to conversationally fluent, so you can: -Travel or live in France or any Chinese speaking country without relying on Google Translate -Join Chinese conversations with your Chinese speaking coworkers, friends, or family members -Date Chinese-speakers without embarrassing

qualified people who are bilingual We want you to feel confident while learning Chinese; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your copy of *Conversational Chinese Dialogues* and start learning Chinese right now!

Policies concerning language use are increasingly tested in an age of frequent migration and cultural synthesis. With conflicting factors and changing political climates influencing the policy-makers, Elana Shohamy considers the effects that these policies have on the real people involved.

Using examples from the US and UK, she shows how language policies are promoted and imposed, overtly and covertly, across different countries and in different contexts. Concluding with arguments for a more democratic

and open approach to language policy and planning, the final note is one of optimism, suggesting strategies for resistance to language attrition and ways to protect the linguistic rights of groups and individuals.
