For nearly 30 years, the Art & Science of Health Promotion Conference has been presenting the very best in health promotion. Join us and hear from the top scientists and practitioners in the field. Why Art And Science Are More Closely Related Than You Think

Science = art. They are the same thing. Both science and art are human attempts to understand and describe the world around us. The subjects and methods have different traditions, and the intended audiences are different, but I think the motivations and goals are fundamentally the same.
