Shoring Up the Foundations of Leadership

Thomas Nelson

La Atlántida, Egipto, el grial, la sabiduría originaria, la herejía de los cátaros, la alquimia sexual y el hermetismo masónico. Es importante que aquel que lea estas páginas sepa que la saga narrada es verdadera. Nuestro planeta tierra, tal como lo afirman los maestros, fue visitada por seres muy evolucionados que, comparados con los habitantes de nuestro planeta, podrían considerarse dioses. La historia comienza con la iniciación en las cavernas y se develan los misterios que se han mantenido ocultos bajo la simbología de los templos. Desde Egipto, heredero de la tradición atlántica, cuna de los misterios mayores y menores, recipiente de la magia de oriente y occidente, hasta las escuelas contemporáneas de sabiduría. Los profundos misterios de la masonería y sus símbolos, el misterio de los rosacruces que, en verdad, sólo existen en el plano de la súper-conciencia, los secretos de la reencarnación consciente y de la vida eterna, el verdadero buscador de la verdad, puede leer entre líneas.

Un nuevo enfoque de la Teoría Política, a la luz de la ética y de la conciencia, para incitar al lector a dudar y a repensar la Política desde una nueva perspectiva. No se puede comprender el sentido de la ética y de la política sin entender el sentido de la vida. La República Mediocre es un ambicioso intento para integrar estos extremos, en el que se repasan con nuevas luces todos los grandes temas de la Teoría Política, desde los principios, como la Libertad y la Justicia, hasta los regímenes políticos, como las democracias o los sistemas autoritarios, pasando por las ideologías y las utopías, pero hilvanando todas estas materias con el sutil hilo de la conciencia, cuya luz nos permite unificar y comprender en profundidad el sentido de la vida individual y de la vida colectiva. La obra se cierra con un inquietante epílogo, titulado «Metarrelatos de la servidumbre», en el que se resumen toda suerte de conspiraciones, desde las humanas hasta las «divinas» pasando por la de «los dioses astronautas», todo con el único fin de incitar al lector a la duda y a una reflexión profunda sobre todos estos grandes temas.

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating." —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside

world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

En ocasiones logré empapar la pluma en el corazón de Dios, pero en otras, la tinta fue sangre que brotó de mis heridas». Te hará reír y tal vez llorar, pero avivará antorchas extinguidas e inflamará aquellas que nunca se encendieron. El desenlace sorprendente que no dejará indiferente a nadie.

Are you ready to hope again? Are you ready to let go of doubt and sorrow? Just listen carefully. God is whispering your name. Somewhere, between the pages of this book and the pages of your heart, God is speaking. And He is calling you by name. Maybe that's hard to believe. Maybe you just can't imagine that the One who made it all thinks of you that personally -- that He keeps your name on His heart and lips. But it's true. In the Bible and in the circumstances of your life, He whispers your name lovingly. Tenderly. Patiently but persistently. Let these stories remind you of the God who knows your name. Some of the stories are from the Bible. Some are drawn from everyday life. Most are about people who are lost ... or weary ... or discouraged -- just like you may be. If you let them, they will tell the story of your life. And the story of a God who speaks into your situation. So listen closely as you turn these pages. Listen for the Father's gentle whisper that can erase your doubt, your sorrow, your weariness, your despair. It really is your name that you hear, and the Voice that calls is more loving than your ever dared dream. Listen. And learn to hope again.

Has anyone seen my time? I've misplaced it. We have schedule planners, computerized calendars, smart phones, and sticky notes to help us organize our business and social lives every day. But what about organizing the other side of our lives? the spiritual side? One of the great battlegrounds is within the private world of the individual. The values of our Western culture would have us believe the busy, publicly active person in ministry is also the most spiritual. Tempted to give imbalanced attention to the public world at the expense of the private, we become involved in more programs, more meetings. Our massive responsibilities at home, work, and church have resulted in many good people on the verge of collapse. In this updated classic *Ordering Your Private World*, Gordon MacDonald equips a new generation to live life from the inside out, cultivating the inner victory necessary for public effectiveness. "With much enthusiasm I recommend this book to all of you who, like me, need order in your private world." A challenging, innovative approach to a delicate subject. It's sure to benefit church leaders and members of all ages who dream of a "reinvented" church. —Publishers Weekly Has your church been stolen out from under you? A storm hits a small New England town late one evening, but the pelting rain can't keep a small group of church members from gathering to discuss issues that lately have been brewing beneath the surface of their congregation. They could see their church was changing. The choir had been replaced by a flashy "praise band." The youth no longer dressed in their "Sunday best." The beautiful pipe organ sat unused. How will this group overcome a deepening rift in their fellowship and nourish the relationship between the young and old? Can their church survive or even thrive? *Who Stole My Church?* is a fictional story that tells the all too real tale of many church communities today. In this book you can walk alongside an imaginary community, led by real life pastor Gordon MacDonald and his wife, Gail, and discover how to meet the needs of all believers without abandoning the dreams and desires of any.

¿Alguien ha visto mi tiempo? Lo he perdido. Tenemos horarios, calendarios computarizados, teléfonos inteligentes y notas adhesivas para ayudarnos a organizar nuestros asuntos y nuestra vida social diaria. Pero ¿qué pasa con la organización de la otra parte de nuestras vidas, el lado espiritual? Uno de los grandes campos de batalla se encuentra dentro del interior de cada persona. Los valores de nuestra cultura nos ha hecho creer que las personas ocupadas y públicamente

activas en el ministerio son también las más espirituales. Caemos ante la tentación de prestar más atención al mundo externo a expensas del privado y nos involucramos en más programas, más reuniones. Nuestras innumerables responsabilidades en el hogar, el trabajo y la iglesia han dado lugar a que mucha gente esté al borde del colapso. En este clásico actualizado, Gordon MacDonald equipa a una nueva generación para vivir la vida desde adentro hacia afuera, cultivando la victoria interna necesaria para la eficacia externa. «Con mucho entusiasmo recomiendo este libro a todos los que, como yo, necesitan ordenar su mundo interior». —Charles Swindoll, Rector del Seminario Teológico de Dallas «Este libro fue el instrumento principal que Dios usó para motivarme a integrar disciplinas espirituales en mi diario caminar con Cristo... Me estremece pensar donde estaría hoy si no lo hubiera leído». —Bill Hybels, pastor de la Iglesia Comunitaria Willow Creek

Encuentros transformadores con el Verbo hecho carne Una de las tendencias arraigadas en el ser humano es la de crear dioses a su imagen y semejanza (Éxodo 32). Impacientes con el obrar de un Dios que actúa con parámetros diferentes a los nuestros, optamos por un dios que piense y actúe como nosotros lo hacemos. Jesús no se libra de esta tendencia a domesticar lo divino. El problema es que un Jesús desprovisto de los atributos que más lo distinguen se vuelve inofensivo. Carece de la capacidad para producir en nosotros la transformación radical que necesitamos. Debemos acercarnos a los evangelios dispuestos a dejar que Jesús sea el Cristo que cambió dramáticamente el curso de la historia. Si así lo hacemos, comenzaremos la apasionante aventura de caminar con el Hijo de Dios; misterioso, impredecible, profundo, reservado, pero irresistiblemente atractivo. Transforming Encounters with the Word Made Flesh This book offers a daily opportunity to enjoy Jesus as never before! Each devotional will guide you to a renewed approach to the understanding of the person of Christ that will inevitably transform your life! Discovering that Jesus is entirely different from what we had imagined is an essential step toward transcending a mere religious relationship with him.

Desarrolle habilidades para liderar el pueblo de Dios Anchor

La mayor crisis del liderazgo, en la actualidad, es el carácter. Aunque se ha escrito mucho sobre la importancia del carácter, este libro se centra en las áreas prácticas del carácter de cada persona, las cuales, pueden ser transformadas con la aplicación de principios bíblicos. El autor inicia el libro señalando la importancia del carácter y cómo se forma, pero pasa rápidamente a los capítulos sobre aspectos específicos del mismo que son de vital importancia en el liderazgo: un corazón dispuesto a servir, quebrantamiento, uso de la lengua, relación de autoridad, perdón, familia y un buen final, entre otros. Los principios bíblicos se examinan, ilustran y aplican en cada una de estas áreas. El trabajo se basa en la premisa del autor de que los verdaderos líderes cristianos son fuertes y equilibrados en tres áreas fundamentales: carácter, conocimiento y habilidades de liderazgo. De estas, el carácter es la más importante, pero también la más difícil de desarrollar. Este libro constituye una herramienta de gran impacto a nivel personal, pero lo más valioso es que permite a pastores, mentores, educadores y padres empezar a trabajar con los demás en el desarrollo de un carácter semejante al de Cristo.
