We live in a world today where process is intentionally avoided. Many people do not want to go through the process required to achieve or attain any heights in this life. This is a generation of instant coffee, instant worship, instant preaching, instant praise, etc. Even growing a church is placed in the category of "instants". Some pastors want to establish a church and have a membership of 500 in three months. The ministry of the church to produce healthy individuals is no longer a process. Sometimes the spirit of envy and covetousness makes people want what others have, without going through the process to get it. But I have learned through experience, that anything you want to maintain or sustain, you must acquire by process. In this book, you will learn the keys to endurance that will empower you to go through your process. You will discover that greatness only emerges on the other side of process.

#### Prayer Moves God Xulon Press

Many people do not believe in the existence of an unseen realm and others try to operate in it yet do not understand it. In order to understand spiritual realms, we must understand realms of authority. Though there are many kinds of authority, spiritual authority is the greatest. If our authority in Christ is by the Spirit, it cannot be determined by a person's gender or race; there is no distinction between them in the spirit. According to the Scripture in 1 Corinthians 2:4-15, spiritual things must be spiritually discerned! Intellect, science or anything that we can relate to in the natural will only distort man's view of what is going on in the spirit realm; we discern things spiritually by knowing them through our spirit man and not through our natural man.
