Stephen Shore: "Uncommon Places" (2004) - AMERICAN SUBURB X

Stephen Shore's photographs are attentive to ordinary scenes of daily experience, yet through color--and composition--Shore transforms the mundane into subjects of thoughtful meditation. A restaurant meal on a road trip, a billboard off a highway, and a dusty side street in a Texas town are all seemingly banal images, but upon reflection subtly imply meaning.

Stephen Shore is an American photographer known for his images of banal scenes and objects in the United States, and for his pioneering use of color in art photography. His books include Uncommon Places and American Surfaces, photographs that he took on cross-country road trips in the 1970s. In 1975 Shore received a Guggenheim Fellowship. In 1971, he was the first living photographer to be exhibited at the Metropolitan Museum of Art in New York City, where he had a solo show of black and white p
