No  
Document A305TM - 1986

I think AIA Documents do a good job for all parties, and they have a good reputation as an industry standard. These days they are very easy to use, and the browser-based aspect is very nice. The other thing about AIA Documents is that they cover way more types of situations than you can ever do justice to - all types of construction contracts, change orders, BIM, sustainability, and on and on.
