The hilarious, challenging and inspiring ending to the Don Tillman trilogy that will have readers cheering for joy.

[The Language of Letting Go](#) Penguin

How far would you go to save your child? David shares a close bond with his eight-year-old son, Chris, but their family is destroyed when David dies. In the afterlife, he is given an opportunity. He is told that he may be granted three viewings by which to look in on his son. The terms are strict: he cannot help his boy. He cannot reach him, or teach him, or in any way change the course of his life. David agrees, and on three separate occasions observes his son's unfolding story. The first viewing takes place one year after his own death. The second shows him his son at the age of nineteen. David's final viewing shows him the final days of Chris's life. What David sees will not leave him, and he decides to make a simple but impassioned request.

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched. . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as Forget the Alamo definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

Like Sherlock Holmes' dog in the night time, sometimes the true significance of things lies in their absence. Rick Gekoski tells the very human stories that lie behind some of the greatest losses to artistic culture - and addresses the questions such disappearances raise. Some of the items are stolen (the Mona Lisa), some destroyed (like Philip Larkin's diaries) and some were lost before they even existed, like the career of the brilliant art deco architect, Charles Rennie Mackintosh, which floundered amid a lack of cash - but behind all of them lies an often surprising story which reveals a lot about what art means to us. Gekoski explores the greater questions these tremendous losses raise - such as the rights artists and authors have over their own work, the importance of the search for perfection in creativity, and what motivated people to queue to see the empty space where the Mona Lisa once hung in the Louvre.

Don Tillman and Rosie Jarman are back. If you were swept away by Graeme Simsion's international smash hit *The Rosie Project*, you will love *The Rosie Effect*. The *Wife Project* is complete, and Don and Rosie are happily married and living in New York. But they're about to face a new challenge. Rosie is pregnant. Don sets about learning the protocols of becoming a father, but his unusual research style gets him into trouble with the law. Fortunately his best friend Gene is on hand to offer advice: he's left Claudia and moved in with Don and Rosie. As Don tries to schedule time for pregnancy research, getting Gene and Claudia back together, servicing the industrial refrigeration unit that occupies half his apartment, helping Dave the Baseball Fan save his business and staying on the right side of Lydia the social worker, he almost misses the biggest problem of all: he might lose Rosie when she needs him most. Get ready for *The Rosie Effect*, the new hilarious and heart-wrenching romantic comedy of the year.

Don Tillman is getting married. He just doesn't know who to yet. But he has designed the *Wife Project*, using a sixteen-page questionnaire to help him find the perfect partner. She will most definitely not be a barmaid, a smoker, a drinker, or a late-arriver. Rosie Jarman is all these things. She is also fiery and intelligent and beautiful. And on a quest of her own to find her biological father—a search that Don, a professor of genetics, might just be able to help her with. The *Wife Project* teaches Don some unexpected things. Why earlobe length is an inadequate predictor of sexual attraction. Why quick-dry clothes aren't appropriate attire in New York. Why he's never been on a second date. And why, despite your best scientific efforts, you don't find love: love finds you.

[Love and Other Impossible Pursuits](#) Anchor

A socially awkward genetics professor who has never been on a second date sets out to find the perfect wife, but instead finds Rosie Jarman, a fiercely independent barmaid who is on a quest to find her biological father. Reprint.

Faux Queen: A Life in Drag is the memoir of a ballet-obsessed girl who moves to San Francisco from the suburbs and finds her people at the drag club. It joyously chronicles Monique Jenkinson's creation of her drag persona Fauxnique, the people and cultural practices that crash her identity into being, her journey through one of the most experimental moments in queer cultural history, and her rise through the nightlife underground to become the first cisgender woman crowned as a major pageant-winning drag queen. Jenkinson finds authenticity through the glee of drag artifice and articulation through the immediacy of performing bodies. She pens a valentine to gay men and their culture while relaying the making of an open-minded feminist and queer ally. *Faux Queen* finds deep healing in irreverence and posits that it might be possible for us to come together in fabulous difference on the dance floor.

[Lost, Stolen Or Shredded](#) Simon and Schuster

A debut that combines historical nonfiction with travel books, for fans of Bill Bryson and Tony Horwitz, *In Pursuit of Jefferson* is the story of an American on a journey through Europe, following the epic trail of Thomas Jefferson. A controversial founding father. A man ready for a change. And a completely unique trip through Europe. In 1784, Thomas Jefferson was a broken man. Reeling from the loss of his wife and stung from a political scandal during the Revolutionary war, he needed to remake himself. To do that, he traveled.

Wandering through Europe, Jefferson saw and learned as much as he could, ultimately bringing his knowledge home to a young America. There, he would rise to power and shape a nation. More than two hundred years later, Derek Baxter, a devotee of American history, stumbles on an obscure travel guide written by Jefferson—*Hints for Americans Traveling Through Europe*—as he's going through his own personal crisis. Who better to offer advice than a founding father himself? Using *Hints* as his roadmap, Baxter follows Jefferson through six countries and countless lessons. But what Baxter learns isn't always what Jefferson had in mind, and as he comes to understand Jefferson better, he doesn't always like what he finds. In *Pursuit of Jefferson* is at once the story of a life-changing trip through Europe, an unflinching look at a founding father, and a moving personal journey. With rich historical detail, a sense of humor, and boundless heart, Baxter explores how we can be better moving forward only by first looking back.

[Don Tillman's Standardized Meal System](#) Bywater Books

Grace Lisa Vandenburg, the narrator of this pleasant neurotic-girl-meets-boy debut, is 35 years old and has been addicted to counting since she was eight. She lives alone in Melbourne, Australia, and is on sick leave from her teaching job, filling her weeks with counting-'steps and syllables and bites and things'-and sticking to her rigid routines, which include trips to the cafe and phone calls from her mother and self-absorbed younger sister. The only person in her life Grace relates to is her 10-year-old niece, Hilary, who is as quirky and charming as Grace is. Things are fine until Grace meets Seamus Joseph O'reilly, an Irish transplant who works at the local movie theater. Grace has not been on a date in two years and six months and hasn't been in love in forever, but as things progress with Seamus, she realizes what she has been missing. With some gentle encouragement, Grace agrees to test her boundaries and tries to find a happy medium between her obsession and living a full life. The novel does everything a sweet, agreeable romantic comedy should. (Feb.)

[The Novel Project](#) HarperCollins

The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at *The New Yorker*. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on *NewYorker.com*. Her essay "Even Artichokes Have Doubts" was excerpted in the *Financial Times*, and her book was the focus of a Nicholas Kristof column in *The New York Times*. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over...We're so young. We can't, we MUST not lose this sense of possibility because in the end, it's all we have." *The Opposite of Loneliness* is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss

of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People).

Two Steps Onward Text Publishing

A New York Times bestseller, *The Silver Linings Playbook* was adapted into the Oscar-winning movie starring Bradley Cooper and Jennifer Lawrence. It tells the riotous and poignant story of how one man regains his memory and comes to terms with the magnitude of his wife's betrayal. During the years he spends in a neural health facility, Pat Peoples formulates a theory about silver linings: he believes his life is a movie produced by God, his mission is to become physically fit and emotionally supportive, and his happy ending will be the return of his estranged wife, Nikki. When Pat goes to live with his parents, everything seems changed: no one will talk to him about Nikki; his old friends are saddled with families; the Philadelphia Eagles keep losing, making his father moody; and his new therapist seems to be recommending adultery as a form of therapy. When Pat meets the tragically widowed and clinically depressed Tiffany, she offers to act as a liaison between him and his wife, if only he will give up watching football, agree to perform in this year's Dance Away Depression competition, and promise not to tell anyone about their "contract." All the while, Pat keeps searching for his silver lining. In this brilliantly written debut novel, Matthew Quick takes us inside Pat's mind, deftly showing us the world from his distorted yet endearing perspective. The result is a touching and funny story that helps us look at both depression and love in a wonderfully refreshing way.

The Rosie World St. Martin's Press

Traces the lives of the Tetherly and Copaken families in the aftermath of a child's tragic death, which results in a broken marriage, a bonding between bereaved siblings and healing in the form of an adopted girl's prodigious violin talent. By the author of the best-selling *Bad Mother*.

Dream a Little Dream Simon and Schuster

In this moving, wry, and candid novel, widely acclaimed novelist Ayelet Waldman takes us through one woman's passage through love, loss, and the strange absurdities of modern life. Emilia Greenleaf believed that she had found her soulmate, the man she was meant to spend her life with. But life seems a lot less rosy when Emilia has to deal with the most neurotic and sheltered five-year-old in New York City: her new stepson William. Now Emilia finds herself trying to flag down taxis with a giant, industrial-strength car seat, looking for perfect, strawberry-flavored, lactose-free cupcakes, receiving corrections on her French pronunciation from her supercilious stepson - and attempting to find balance in a new family that's both larger, and smaller, than she bargained for. In *Love and Other Impossible Pursuits* Ayelet Waldman has created a novel rich with humor and truth, perfectly characterizing one woman's search for answers in a crazily uncertain world.

Medea's Curse Sourcebooks, Inc.

From the bestselling author of *The Rosie Project* comes a romantic novel about true love, second chances, and decades of great music. Two decades ago, Adam Sharp's piano playing led him into a passionate relationship with Angelina Brown, an intelligent and strong-willed actress. They had a chance at something more—but Adam didn't take it. Now, on the cusp of turning fifty, Adam likes his life. He's happy with his partner Claire, he excels in music trivia at quiz night at the local pub, he looks after his mother, and he does the occasional consulting job in IT. But he can never quite shake off his nostalgia for what might have been. And then, out of nowhere, from the other side of the world, Angelina gets in touch. What does she want? Does Adam dare to live dangerously? Set to the soundtrack of our lives, *The Best of Adam Sharp* by Graeme Simsion follows along with emotion and humor as one man looks back on his past and decides if having a second chance is worth the risk. One of *Glamour Magazine's* "Most Anticipated Books of 2017" • "20 Must-Read Books for Spring 2017" from *Redbook Praise* for *The Best of Adam Sharp*: "This dazzling story about a former pianist who has a second chance in midlife with his former actress flame will do some major heart-warming this

Spring - and readers will never foresee the incredible ending." -POPSUGAR "It's a fun sweet ride." -The Washington Post "Readers are already clamoring." -Library Journal "An extraordinary literary treat that reminds readers the best things in life have nothing to do with plans." -Redbook

The gorgeously romantic novel from the bestselling author of *Billy and Me* and *Always With Love* Sarah is doing just fine. Sure she's been single for the last five years, and has to spend an uncomfortable amount of time around her ex-boyfriend, his perfect new girlfriend and all their mutual friends. And yes, her job as a PA to one of the most disgusting men in London is mind-numbingly tedious and her career is a constant disappointment to her mother. But it's really okay. She's happy (ish). So it's not surprising that when Sarah starts dreaming about a handsome stranger, she begins to look forward to falling asleep every night. Reality isn't nearly as exciting. That is until her dream-stranger makes an unexpected real-life appearance, leaving Sarah questioning everything she thought she wanted. Because no one ever really finds the person of their dreams . . . do they? 'Saucy, fun and full of heart. This is Giovanna's most accomplished novel yet! This book ticked every one of our must have boxes' Heat 'Tons of charm and genuine warmth' Star

The Silver Linings Playbook Simon and Schuster

Graeme Simsion brings to life fictional foodie Don Tillman's 'standardised meal system', as featured in the internationally bestselling *Rosie Project* and *Rosie Effect* and the recent Australian #1 bestselling novel, *Rosie Result*.

Forget the Alamo Penguin

Forty-one-year-old geneticist Don Tillman had never had a second date before he met Rosie. Now, living in New York City, they have survived ten months and ten days of marriage, even if Don has had to sacrifice standardized meals and embrace unscheduled sex. But then Rosie drops the mother of all bombshells. And Don must prepare for the biggest challenge of his previously ordered life - while dodging deportation, prosecution and professional disgrace. Is Don Tillman ready to become the man he always dreamed of being? Or will he revert to his old ways and risk losing Rosie for ever?
