TIT TADA-THE UNLIKELY SEX BEAST A romance novel, born to a Bishop and a lady pastor as their only son, James grew up as a well-mannered, chaste and respectful boy but upon reaching college, the story takes a major twist. He becomes the opposite of the character he once was but what could have triggered it? With time, he becomes increasingly associated with campus girls than boys. The ladies keep on coming to Tada but for what could it be? Was it for sex or something else? His popularity grows as he treads the lines which regular bad boys ordinarily wouldn't. He earns for himself a nickname, Tit Tada, which has an interestingly uncouth meaning to it. After college, he wishes to live the same kind of lifestyle but since he still lives with his parents, can he continue down that road? How does he go about it and how does it end? One thing leads to the other and Tada finds himself in a position he had never imagined in his wildest dreams. But through the thick and thin, does he ever get out of this trouble and will he finally find true love for the first time in his life? Find out by reading this great romance book for kindle -**TIT TADA-THE UNLIKELY SEX BEAST** -
